

Auto Physical Damage Loss Reporting Requirements

In the event of a claim, losses must be reported by the insured or agent immediately through Hanover's National Claims Reporting Line at 1-800-628-0250.

The caller then presses 2 and this delivers them to our Customer Care Team. Our representative will take the loss report and assign and adjuster.

Losses can also be faxed to 1-800-399-4734

Please complete a copy of the auto loss claim form available on our website and submit it to Rob Lowe, Aon Risk Services
