Controlling Contractor Liability: Before, During & After the Job

Presented by David Patzer, DKF Solutions Group

May 19th, 2010

Finley Community Center - Auditorium

2060 West College Ave
Santa Rosa, CA

Did you know that your City can be fined for the unsafe acts committed or the unsafe conditions created by your contractor's as a result of the CalOSHA Multi-Employer Worksite Safety Standard?

Did you know that the California Courts have ruled that CalOSHA citations are admissible in third-party lawsuits?

Did you know the California Courts have ruled that CalOSHA has the authority to allow consideration of the "controlling" employer's *due diligence* in determining liability?

Did you also know that California Assembly Bill 574, passed in 1999, gave public entities the power to pre-qualify contractors wishing to bid on public works projects?

This 4-hour program will equip your City with tools to better control liabilities faced when using contractors and better manage your obligations under the CalOSHA Multi-Employer Worksite Standard.

TOPICS INCLUDE:

- ✘ When is Indemnification Language Not Enough?
- ✘ Assembly Bill 574 – How and *WHEN* to Pre-Qualify Bidders
- ✘ Developing a Contractor Liability Control Program
- ✘ CalOSHA – What's Expected of Contract Owners?
- ✘ The CSRMA Online Contractor Safety Program Builder
- ✘ Multi-Employer Liability – Risks and Solutions
- ✘ CalOSHA Multi-Employer Worksite Safety Standard
- ✘ Building Your Defense Now – Due Diligence Tools
- ✘ What do California courts and CalOSHA consider "*due diligence*?"

WHO SHOULD ATTEND: This seminar is a must for Risk Managers, Contracts Managers, City Engineers, Construction Inspectors and anyone else responsible for helping your organization navigate multi-employer liability!
