

California Joint Powers Risk Management Authority Training Announcement

[ARM 54 – Risk Assessment Test Preparation](#)

Presented by David N. Blakesly, CPCU, CIC, ARM

CJPRMA will be hosting a series of mini training academies preparing participants for the Associate in Risk Management designation. To be an effective risk manager, you need to develop the skills that are vital to effectively controlling, assessing, and financing risk. The Institutes' Associate in Risk Management program helps you enhance your risk management skills by teaching you how to build and implement a balanced risk financing strategy using retention, transfer, and hybrids.

ARM 54 Risk Assessment will be a three day course that will prepare attendees for the ARM 54 National Examination. The ARM program provides in-depth knowledge needed to assess and respond to the numerous hazard risks your organization faces. Attendees will be responsible for making their own testing accommodations. Here is a link to the exam fee and date information <http://www.aicpcu.org/register/ExamInfo.htm>

ARM 54—Risk Assessment provides:

- Development of risk management programs
- Defines risk management process
- Legal foundations of liability loss exposures
- Methods of assessing property, liability, personnel and net income loss exposures
- Management of liability and corporate governance
- Forecasting cash flow analysis.

WHO SHOULD ATTEND: Risk Managers, those who are new to risk management and those who are seasoned Risk Managers.
